ONE CITY FIRST. SERVICES BEFORE EXPANSION.

Homes and public services organise daily life. Compute, repair and farm services work at its edges. Two later service towns and an eastern gateway grow only when access, resource contracts and independent services can be delivered.

A01 / COURTYARD HOMES

AERIAL CONCEPT + EYE-LEVEL EXPERIENCE

Four open-corner courts. Shared laundry, care, shade and public ground.

B03 / USEFUL COMPUTE

AERIAL CONCEPT + EYE-LEVEL EXPERIENCE

Two halls, cooperative workshops and a named waste-heat receiver.

C02 / WORKING FARM EDGE

AERIAL CONCEPT + EYE-LEVEL EXPERIENCE

Teaching, repair and a productive trail to the real protected pilot edge.

CONCEPT ILLUSTRATIONS + FORMAL DIAGRAMS / Capacities are scenarios; engineering and rights require verification.
